ABOUT THE COMPANY

Who we are

YPL Safety Nets started in Chennai in 2020. Our founder Ramana has worked in safety nets since 2013. Our trained installation teams serve homes, apartments, builders, schools and sports academies across Chennai, Tamil Nadu and Andhra Pradesh.

We supply and install every product ourselves — no middlemen — with free site inspection, clear pricing and a warranty certificate: 5 years on nets, 10 years on invisible grills.
